

Submit your application: We are looking for successful, solution-oriented intercultural dialogue projects!

The Intercultural Achievement Award (IAA) is a key project for intercultural dialogue of the Austrian Federal Ministry for European and International Affairs. The award honours successful and innovative projects in the field of intercultural dialogue, both in Austria and on a global scale. The award is open to all those who identify and make use of opportunities which positively shape intercultural co-existence. It also rewards those who successfully break new ground in intercultural dialogue, who have mastered a specific challenge through intercultural action, and who promote the dialogue of cultures and religions through their media presence.

Applications are open to both non-profit organisations (including non-governmental organisations as well as associations, foundations, charitable educational institutions or religious organisations) and commercial organisations. Individuals from civil society can also participate. Applications are not open to governmental, scientific, research and international institutions.
